MATTHEW BULMER.

Matthew Bulmer was born in Yorkshire, England. His parents died while he was but an infant and he worked upon a farm until twenty years of age, after which he became a carpenter and has followed that trade ever since.

Page 364

Coming to Canada in 1857 he settled in Brampton where he spent two years, after which he lived in Orangeville for eighteen years, then coming to Toronto where he settled about 1877.

He was converted when fifteen years of age, and two years afterwards became a Local Preacher.

He has lived a long life of Christian activity, and is a Methodist of the old-fashioned school.

He was a Class Leader in the Church in Orangeville, and is an ex-Class Leader in Wesley where he has wor-

City of Toronto.**

(Promptly at 12.30 o'Clock)

on

Saturday, February 11, 1933

The Conditions of this Sale are

c.—The highest bidder to be the buyer; and if any dispute arises between two or more bidders, the lot so disposed shall be immediately put up again for advanced bids. If there be no advance, then the animal shall go to the person from whom the auctioneer recognized the last bid. The auctioneer will decline any bids which are made by persons, who, in his judgment, are not responsible, reliable bidders. The right is reserved to the seller or any one on his behalf to bid.

d.—The sale is for cash: twenty-five per cent to be paid immediately after the lot is knocked down, or the sale may be declared void at the option of the seller; the balance of the purchase money must be paid at the conclusion of the day's sale.

e.—Each lot to be at the risk and expense of the purchaser immediately on the fall of the hammer, and to be taken by him with any faults and errors of description.

f.—Upon failure to comply with the above conditions the money deposited in part payment shall be forfeited to the seller, and the lot may be re-sold by public or private sale, and the deficiency (if any) attending such re-sale shall immediately be made good by the defaulter of this sale.

g.—If any person shall purchase a lot and not pay for it in the time limited by the Second Condition, nothing contained in the Fourth Condition shall prevent the auctioneer or the owner of the lot from compelling the purchaser to pay for it, if the auctioneer or seller shall so think fit.

h.—No representation or guarantee is made or given as to blemishes nor as to the soundness of any animal nor is any guarantee given that any mare is in foal. The information in the attached catalogue has been secured from sources believed to be reliable but is not published or distributed as a representation or warranty of description, genuineness, authenticity or freedom from fault or defect, each buyer being required to inspect the property being offered to satisfy himself in respect of all matters relating thereto.

i.—The farm lands will be offered subject to a reserve bid and subject to the above conditions and other special conditions which will be read at the time of sale.

Description of Farm and Buildings also to be offered for Sale

The farm proper consisting of Lot 14, Concession 1, Township of Trafalgar, County of Halton, said to contain 206 acres running from the Dundas Highway to the upper middle road as presently fenced and occupied. At the back there is approximately 30 acres of bush with a spring that has never been known to dry up no matter how hot the weather.

The land is red clay loam which is a very productive soil and is practically all seeded down to pasture and hay. The various fields and paddocks are for the most part enclosed by new wire fencing.

The 80' bank barn contains eight Brood mare boxes, room for several head of cattle, two yearling boxes, a stallion stall, 4 standing stalls and tack room. Equipment is modern and electrically operated.

Two other barns adjoin the above barn at the rear, one containing seven large boxes and the other used for horses in training and which contains ten large boxes with a six foot walk around the stalls. Both of these barns are lighted by electricity. Between these two latter barns is the enclosed arena which allows horses to be exercised indoors when the weather is bad.

Along with the buildings described there is a pig pen, implement shed containing garage space for two cars and a chicken house for three hundred chickens. The foreman's 5 room house is of brick on stucco construction, electrically equipped.

Owner's house, 2 storey brick on stucco, dwelling containing four roomy bedrooms, two bathrooms, living room 17' by 24' with large fire place, large dining room with fireplace, kitchen pantry and breakfast room, enclosed verandah 8' by 34', furnace room, laundry and fruit cellars and storeroom, running water provided by automatic electrical pumps, combination hot air and water heating.
